What's not to love about my new boobs! I got them last year for my 50th birthday and they're the best present I've ever gotten. I feel so sexy now. I love how I look in a dress and even more, I like how I look out of a dress. All my girlfriends had to come over and feel them up. They were amazed at how natural they felt.

I made the guys wait a few months longer for them to settle. One of my lovers was so into them, he spent nearly an hour of our love-making just adoring, caressing and nibbling at them. It was so cute.

Dear editor,

I'm writing in appreciation of the more mature woman. I'm 32 myself but like over-50 year old MILFs. I love older women and they like me. Once they know that I'm interested in sleeping with them, the task is so much easier. Since I moved to this high-end suburb of St. Louis, I've been getting all the mature nookie I can handle. I found a job at a small hair salon whose clientele is just my type. Please don't think of me as a predator, think of me as an opportunist. One that knows how to make sexual opportunities for himself.

It is wholly managed and owned by a lovely lady, Jill. She is a great boss, accommodating her clientele and never rude. There are only three employees working at the shop, two ladies and myself. I'm pretty well built, not gay, and know how to charm the ladies. Jill's now divorced saying the shop is her current lover. She has a great sense of dressing. She mostly wears skirts in the shop. We are frank to each other. During lunches, mostly talk to pass

Dear Editors,

I just picked up your last issue of **50+** with Kendra Lust on the cover and I want to thank you guys for taking my advice. I don't know if any of the other readers asked to, but this **Best of 50+** is waaay looong overdue. While I enjoy the regular issues, I had wanted to see a best of so I can compare my tastes to yours. I must say, while I like my women older, your choices are prime. I don't remember seeing a couple of the ladies before, I thought Veronica Avluv was killer in the issue. And I likes the rehash of Sarah Jay and Lya. Man that was a hot pictorial and even hotter video. Sarah Jay really loves to fuck! Great stuff, thanks.

— Allan, Sacramento, CA

our time, as fewer people come in at noon time.

Today, it's 8:30 in the morning when I left my home for the shop. I'm always punctual. I'd reached the shop 10 minutes later since it's not far from my house. Truth be told, Jill, who is 53 years old, is very attractive. This morning she's wearing a black skirt just a bit shorter than her knees. She's as tall as me with blonde hair, a sexy ass, and full womanly breasts. I was attracted to her from the moment I interviewed with her.

It was quite busy today and we were tired by lunch time, so she decided to close the shop for an hour after looking at the afternoon bookings. Nobody was in the shop except us. So we started our inevitable conversations as usual about the clients and their problems we always seem to hear about.

During our break, Jill invited me to stop by her house tonight on the way home for a drink. She was leaving early and I could close the shop down. I said that

would be nice and she left in the early afternoon. I decided to go home first and freshen up and then left for her place. As it was a casual invitation for drinks, I wasn't shocked to see her in a housecoat while opening the door. Tasteful but sexy.

I entered the house and she invited me to sit on the sofa. The drinks were already on the coffee table. I thought to myself 'You're trying to seduce me, Mrs. Robinson.' Not knowing what to say, which is a first for me, I blurted out, "Do you dress this way when company's coming?" She smiled at me and leaned over to get the drinks for us. Of course, her boobs fell forward filling the flimsy bra top underneath.

She handed me a glass of wine and held one for herself. I decided, 'what the hell,' and sat back on the sofa making myself comfortable. We started drinking. After a couple of glasses more, the conversation became more heated. "I'd like to play a game of cards," she said. She brought out a deck when I agreed. After playing for sometime, she asked to add a new rule to it. Every time when one person loses he/she must take off a piece of clothing. Sounded like strip poker to me, and I knew I was a winner because she only had on a few things.

She won the first hand. I quickly unbuttoned my shirt. I was quite horny by

now. The next few hands were won by her and I didn't lose on purpose. I ended up naked. She lost the next three hands and by now we were both naked and a little tipsy. I stared at her boobs and felt my cock throbbing under the table. "Well, what do we play for now?" she asked coyly. I volunteered that we could play to see who is going down on the other first. She was not surprised and dealt out the next hand. I lost, that is... I won.

That is, I lost the hand and she got to go down on me first, so she got down on her knees and started playing with my member. It felt great when she licked the tip, then took it inside deeper. She asked me to fuck her mouth, I did ex-

actly that as she twirled my swollen balls in her hand. We both were moaning, and when I came in her mouth, it seemed she came too.

My cum was dripping out of her mouth onto her breasts, she rubbed it in, and let me do it, too. I licked my own sperm off her nipples. She was breathing deeply, then I slid down and put two fingers inside her. While I was fingering her, I also licked her clit. She asked me to keep doing it.

She soon came and shouted out loud in ecstasy. We lay on the sofa for the next few minutes, then went to her bedroom. She lay on her back, spread her legs and told me to fuck her. I got on top of her and thrust my dick in. We talked dirty as

we fucked. Laughed about some incidences at the shop and ultimately fell asleep in each other's arms. Fortunately, the next day was Monday and the shop was closed.

#### *Dear 50:*

I just had to write because I bagged my first fifty-something last night. I was at our company picnic that was being held at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year since my transfer from Orlando, so many of the faces were new to me.

One of them was this hottie named Carole. She was sitting at one of the picnic tables eating some potato salad and there was an open seat next to her so I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me and to Carole. She said hello and little else for several minutes.

I tried to get a conversation going with some short questions, where did she work, how long, did she like it. Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the table cleared and Carole and I were the only ones

left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good some bad, some indifferent. And married.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in marketing and hoped to stay a long time. As the day wore down we went on our own way, but at the end of the day as we all gathered for a little pep rally from the bosses she came up and stood beside me. We said "Hi." again, and she asked if I wanted to get a drink after the picnic. "Just the two of us?" I asked. "Just us." she replied.

This MILFy hottie just asked me out? I can't wait. Truth to be told, she is really hot. Kind of Kate Jackson hot (yeah, she was my favorite Angel). Later we met at a local restaurant and had dinner and drinks. We laughed throughout it and I became more and more infatuated with her. Her eyes were mesmerizing and her body was killer. As the night wore down, the conversation got hotter and more suggestive. She said her husband had moved out a month ago to be with another man and she hadn't quite recovered from the shock. Suddenly, she asked if I would come

home with her and after initially refusing, I thought better of it, and said 'yes.'

We went to her home and it was very nice, like an interior designer had worked on it. We wasted little time getting it on. The dinner conversation and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and she told me to strip down and sit on the bed. I covered myself quickly with a pillow. My cock was very hard and I was a little embarrassed. She came out of the bathroom, naked. Wow, did she look good, but before I could get a better look, she came over, flung the pillow off me and took my dick in her hand, bent down, looked at it hungrily, and began licking

the tip of it.

As the head of my dick disappeared into her mouth, she surrounded it with her warm lips. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cocksucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked on me.

I stopped her and sat up. I then moved on top of her, skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy, I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard

nipples. I took each one, in turn, into my mouth as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her love hole.

She moaned out loud pushing my head south and on to her now soaking pussy. I kissed and licked my way down to that lovely pussy of hers. As I slid my hand over her wet pussy, she thrust her pussy at it. She was like a wanton woman by the time I got two fingers deep inside her. I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

Thankfully the next day had no work and we stayed in bed all day, fucking another two or three times before I had to go home. At work we would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will. Or not.

— Chris, Tampa

We were amazed and awestruck when we saw this photo set come across our collective desks. The editor did a double take and yes, it's the immortal and immoral Ginger Lynn, and she's about to play with sexy Ally. We couldn't wait to get through the stills, and then the very next day the video arrives!

## Ginger & Ally

We couldn't get it in the computer fast enough. Immediately, we had to know more about the shoot.

We're ecstatic to have this sand to share with you one of the true superstars of adult entertainment.

*There's hardly anyone who's ever seen adult movies that hasn't heard of Ginger Lynn, or seen any one of her many, many films. Now, in her fifties, she still looks amazing and apparently still loves to fuck.*

Growing up a Midwestern girl, Ginger moved to Los Angeles and after answering an ad for a nude photo shoot, slowly got into the adult business. Movies came easily and often to her because of her astoundingly good looks and voracious sexual appetite.

During her heydays in the Eighties, Ginger fucked every male star and earned, rightly so, a myriad of awards from any company that offered them. Her face was splashed across countless VHS videos and the action inside was just as sexy. Some credit her with almost single-handedly fueling the change to that video format.

It was obvious to those watching that she enjoyed sex. She was animated and giving. Her appetite for cock and pussy was matched by few then, and even now. With big Eighties hair and a California beach babe body, she was every American boy's wet dream.

Shortly after her exit from adult film, she expanded her acting chops with several B films and various appearances. In the early Nineties she hooked up with a notorious bad boy who she insists is not as bad as he's been made out to be.

As the calendar rolled over to a new century, she decided to dip her feet back into the adult pool. Making only a handful of films since Y2K, her magic mouth and pussy are again on full display.

*We're now gathered around the computer watching the dvd go into its slot. After the credits, Ally walks into the living room where Ginger sits.*

Ally sits on the arm of Ginger's chair as she's asked about her budding adult career. Nervous giggles follow as Ginger asks Ally about her sexual limits and turn ons.

Of course, Ginger leads the scenario with probing questions and soft caresses on the newbie. Ally seems rather shy when Ginger asks about her experiences with men, but turns rather shy when Ginger asks about her non-existent girl-girl experience.

Ever so patient and reassuring, Ginger coos and woos the youngster into touching her face and body. Ally learns quickly and shortly is on her knees in front of Ginger exploring tongue kisses.

With long lingering kisses, the two explore each other's mouth's and bodies. Soon pantless, Ally sits back in the big chair as Ginger orchestrates a cunnie lesson on her shaved pussy.

Never having felt another woman's lips on her pussy, Ally succumbs to Ginger's well-practiced techniques. Expert licking and sucking soon has the young doe moaning and giggling with a delight she has never known. This seems, to Ally, a task worth pursuing... The pusuit of fun.

Ally returns the favor as the two writhe naked on the floor. More moaning and teaching follow and finally sexy scissoring make the two cum. Ally now has been initiated into Sapphic love by one of the sexiest queens of erotica, and you get to see it all!

It's a fine Sunday afternoon and you're here with me, I'm going to have a gentleman caller over in a few minutes and we're going to do things that most of us do on a Sunday afternoon. Watch football. Then we'll get down and dirty, and here's how...

# Ursula

First, I'm going to ride his long cock and take it deep into my pussy. Then we'll do another position, and a third, and then a fourth. In the meantime you'll be getting hotter and hotter until you turn the page and see me warming up with a nice white vibrator.

*bless this vibrator!*

*When it comes time for a boy to become a man, what could be better than the old tried and true right of passage? But not all boys pass the first time.*

## just a young guy trying to do what his dad wants what was your first time like?

*HE IS A VIRGIN AND HIS DAD WANTS TO CHANGE THAT. WE WERE THERE TO HELP.*

We were driving across the Seven Mile Bridge, one of 42 bridges that connect Key West to Florida proper when my cell phone rang. It was Friday and we were heading back home to Atlanta after a week long vacation. I had my younger brother answer since I was driving and it was our other brother, Jason. He asked how our trip was and we said it was over, laughing into the phone. He told us that his son Mason just graduated high school this past Friday, after turning eighteen a couple months ago.

We had sent him a few hundred dollars for his birthday, but nothing for his graduation. Jason suggested that we stop by his house in Daytona Beach and help celebrate Mason's birthday with them. We love our nephew, even if he is a little geeky and quite shy, and so told Jason we would be there in a few hours. He told us to hurry because he had quite an evening planned for Mason. We hit the gas pedal and pulled into Jason's driveway at about 4 pm.

We went into the house and asked for a few min-

utes to clean up after our drive. Jason suggested we shower and so we dropped our stuff in his guest room and freshened up. His wife was away on business in Tampa, so it was just us boys. Jason ordered a pizza and we sat out back enjoying the pepperoni, sausage, black olives and beer. Mason

was on his way home from a friend's house and would be a few minutes yet. We asked Jason what he had planned for Mason and he told us he was going to get him laid. We all bursts out laughing because Mason was still a virgin and we expected him to be that way for a long time. Jason, on the other hand, wanted his son to get some pussy; we asked how.

Jason owns a restaurant/bar that caters more to biker and city rednecks. There's sawdust on the floor, pool tables and cheap Tiffany-style lamps hanging

from the black ceiling. Neon signs of sexy dancing girls are on all the walls, and the bathroom is unisex. The place starts hopping around midnight and can be quite a happening scene as the wee morning hours come and go. Cops have been called a

*...a couple of the girls got up on the table to dance. They gyrated seductively and on cue reached down and pulled Mason up onto the table. They sandwiched him amid the howls and wolf whistles of the small crowd.*

few times, but all-in-all it's got a good reputation around town. Many a night college kids and even yuppies can be seen using their computers in the place because he offers free Wi-Fi.

Mason finally shows and sits to have a beer with us. It's now about 9 in the evening and Jason leaves to go to the bar telling us to come around 11pm with Mason. The two hours pass quickly and we drive down to the bar. Mason knows there is a graduation surprise for him, but doesn't know what, and neither do we. Jason wouldn't tell us.

We were met at the door by Jillie, one of Jason's best, and horniest waitresses. She had a rocking body and a nice boob job that looked and felt natural (Jason says). Tonight Jillie had on a long blonde wig and she looked really sexy. Her real hair is black with some blue and purple streaks in it. Even at 55 I can appreciate her hotness and would tap it myself given the opportunity. But tonight was for Mason and Jillie took us to the small back dining room. She took Mason's hand and pulled him along. Charles and I followed right behind looking at Jillie's short skirt, long legs and bare midsection.

We go into the room and a midnight snack with tons of beer is laid out in front of about six of Mason's and Jason's friends. It's all men and a couple more waitress from the bar area to spice up

the room. About one in the morning the food was cleared away and a couple of the girls got up on the table to dance. They gyrated seductively and on cue reached down and pulled Mason up onto the

table. They sandwiched him amid the howls and wolf whistles of the small crowd. The two girls groped him, one from the front and one from behind. The front girl squatted in front of him and played with his belt and zipper but didn't do anything. The girl in back grabbed his butt cheeks and reached around front unbuttoning a couple buttons on his shirt.

The music stopped and the girls stopped and looked at the doorway. Standing there, backlit by the light behind her, is Jillie wearing a long coat that she twirled and flaunted and started to dance around the room. We caught glimpses of her stockings and see-

thru top. She spun around the room and found Mason and started to dance seductively in front of him. He's very shy and didn't want to look but couldn't help himself. Then the two girls jumped off the table, took off Jillie's coat and left the room, closing the door behind them. Now it's only Jillie and six of us guys, and Mason. Jillie jumps up on the table and starts to dance. She's in her blonde wig wearing a pink see-through fishnet top, black lace panties, fishnet stockings and short black boots with four inch heels. She was a sight to see and everyone was looking.

*Now Mason feels emboldened and takes one of her hands and puts it on his balls.  
She looks up at him, cock in mouth, and wrenches a smile out. She replaces her  
hand with her mouth sucking on his balls...*

---

Suddenly Jason jumps up on the table, pulls her to him and they gyrate together. Then Jason's friend David goes up and they sandwich her. Two other guys then jump up and Jillie disappears from view for a few seconds. When they back away her top and panties have disappeared and her beautiful breasts and completely shaved pussy are lit by the overheads. The guys get off the table and push Mason up onto it. He pushes back but the four of them succeed in getting him up where Jillie pulls him in front of her and begins to dance and swivel her hips seductively. He's now staring at her almost naked body right in front of him as she finished unbuttoning his shirt and undoes his belt, zipper. She pulls his pants down leaving him in his underwear.

He stops her hand but she resists and he relents, letting her stroke him under the boxers. He was down to just civvies and did not know what to do next so someone shouted for Mason to lay on the table and told Jillie to get on top. Mason lay there in fear and Jillie wiggled her ass in the air and her breasts falling in front of Mason's face. As Jillie started to kiss Mason one of the guys started to fondle Jillie's ass and moved his hand to her pussy. The music was loud and everyone was cheering and Jillie stopped kissing Mason who escaped from underneath and disappeared off the table. That was the cue for others to jump up and next thing you know, there are four guys all around her, pulling their cocks out and waving them in front of her. Without missing a beat she grabs a couple and stuffs one in her mouth. Jason now wriggles his way under her and takes up where Mason abandoned her.

We watched Jillie do her thing. She got on her knees

and moved up on Jason positioning her pussy right over his mouth. She was sucking two dicks at once and sitting on Jason's face. I glanced around and saw Mason sitting in a dark corner jerking off. I grabbed Charles and we went over and told him it would be better if he let Jillie do it. He shook his head but we grabbed him under each arm and pulled him to the table.

I motioned to the two guys in front of Jillie to go to the back and pushed Mason up onto the table in front of her. This time Jillie did not mess around. Still squatting on Jason's face, she stripped Mason of whatever he had on and pulled his semi-hard dick over to her mouth and shoved it all in. Mason was aghast but let her do it as she sucked him hard and stroked him to harder. As she

sucks him her hands slide up his chest and she pinches his nipples. Now Mason feels emboldened and takes one of her hands and puts it on his balls, She looks up at him, cock in mouth, and wrenches a smile out. She replaces her hand with her mouth sucking on his balls while still stroking his cock. Suddenly Mason grabs her by the hair and pulls her mouth off his balls and shoves his cock back into it. A few quick strokes and he shoots his load inside her mouth but there is so much that it cums out the sides and falls onto Jason's face. We all laugh and applaud as Jillie swallows his virgin load. She lays back on the table and the rest of the guys jerk off onto her chest.

In the morning we leave early with the previous evening's festivities fresh in our minds. The cell phone rings as we hit the Florida-Georgia state line, and it's Jason's number. We don't answer.

I have to tell you that I haven't had sex in front of cameras very often. Only one other time and that was with my husband at the time. And we were the only ones there in the hotel room. Now I have this big cock in front of me and I can't wait to get started.

# Sadie

Fortunately, I knew Steve from the bank where he worked during the day. It didn't take much talking or convincing to get him into my bed.
